RFP #26-04 Food Purchasing Service

PURPOSE & BACKGROUND: Harrisburg Global Academy desires to establish a contract with a Group Purchasing Organization (“GPO”), to provide comprehensive food purchasing services with improved pricing of foods and non-food items that meet current USDA standards in the following categories: Meat, Dairy, WG Rich Bread, and Grains, Snacks, and Disposables for Harrisburg Global Academy (HGA).

Group Purchasing Organizations, Buying Organizations, and Third-Party Vendors, collectively referred to as GPOs, often include CNP and Non-Program Operators. GPOs could be private for-profit or nonprofit entities. A GPO is typically structured to include a membership fee paid by member users, who are then granted access to the GPO's price list of products and services. Although participating in these types of agreements can offer greater economy and efficiency for the procurement or use of common or shared goods or services (2 CFR 200.318(e)), HGA must still conduct competitive procurement in accordance with 2 CFR Part 200.318-.326 and applicable program regulations and guidance.

Meal programs to be served with the contracted items include the United States Department of Agriculture (“USDA”) National School Lunch Program, School Breakfast Program, After School Snack Program, Evening Supper, Summer Seamless, and/or Summer Food Service Program.

Harrisburg Global Academy is a Public Charter school located in Lancaster County, South Carolina. The goal of the Food Service Program is to provide nutritious meals to the enrolled students that follow the USDA Meal Pattern for the National School Lunch Program, the National School Breakfast Program, and the After School Snack Program.

HGA Mission: Harrisburg Global Academy promotes high academic achievement by increasing student engagement through a workshop model that encourages and empowers students to take ownership of their own learning.

Cost of providing proposed services and potential savings	40 possible points
Conformity of Specifications	20 possible points
Value-added Services available	20 possible points
References & Experience	20 possible points
Total Possible Points	100 possible points

An evaluation committee will evaluate the proposals received. Each committee member will independently score each proposal using the predetermined point system, following the evaluation criteria set out in Section 4.2, Assignment of evaluation points. Each Committee member’s proposal scores will be ranked, with the firm receiving the highest score and the highest number of composite points (i.e., if 10 firms submitted proposals, the highest-scoring firm would receive 10 composite points, the second highest would receive 9 composite points, etc.). These composite points will then be added together, and the proposals with the highest overall composite points will be placed on a shortlist.

The lowest cost will be awarded 40 points. For all other cost portions of the proposal submitted by other vendors, the lowest-cost proposal will be divided by each vendor's higher-cost proposal, resulting in a percentage of the 40 points.

Respondents shall be liable for all costs associated with their presentation. The Procurement Services representative shall calculate all scoring and determine a ranking of the shortlisted firms based on the presentation/interview evaluation criteria above. The highest-ranked firm(s) will be recommended for the award.

4.3 **RIGHT TO NEGOTIATE**

HGA reserves the right to negotiate price and contract terms and conditions with the most qualified firm(s) to provide the requested service. If a mutually beneficial agreement with the highest-ranked firm is not reached, HGA reserves the right to enter into contract negotiations with the next highest-ranked firm and continue this process until an agreement is reached.

SECTION 5 -- GENERAL TERMS AND CONDITIONS

- 5.1 AWARD:** A contract will be recommended for award to the responsive and responsible proposer who achieves the highest point score through the proposal evaluation process as outlined later in this document under the Method of Evaluation section. The applicable federal procurement laws are contained in 2 CFR 200.317-326.
- 6.17 Prohibited Communications and Donations:** Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.
- (a) During the period between publication of the solicitation and final award, you must not communicate, directly or indirectly, with the SFA or its employees, agents or officials regarding any aspect of this procurement activity, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the Procurement Officer or their designee.
 - (b) You are advised to familiarize yourself with South Carolina Code of Laws, Regulation 19-445-2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the SFA during the period beginning eighteen months prior to the Opening Date.
- 6.18 Choice-of-Law:** The Solicitation and any subsequent Contract shall be interpreted, construed, enforced, and governed by and under the laws of the State of South Carolina. The Contractor shall comply with the laws of the State of South Carolina regarding its ability to be authorized and/or licensed to do business in this State. Notwithstanding the fact that applicable statutes may exempt or exclude the Contractor from requirements that it be authorized and/or licensed to do business in this State, by submission of this signed Offer, the Contractor shall be subject to the jurisdiction and process of the courts of the State of South Carolina as to all matters and

disputes arising under the Contract and the performance thereof, including any questions as to liability for taxes, licenses, or fees levied by the State.

All disputes, claims or controversies relating to the Agreement shall be resolved exclusively by the appropriate SFA Procurement Officer. Contractor agrees that any act by the Government regarding the Agreement is not a waiver of either the Government's sovereign immunity or the Government's immunity under the Eleventh Amendment of the United States Constitution. As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by the Solicitation.

Contractor consents that any papers, notices, or process necessary or proper for the initiation or continuation of any disputes, claims, or controversies relating to the Agreement; for any court action in connection therewith; or for the entry of judgment on any award made, may be served on Contractor by certified mail (return receipt requested) addressed to Contractor at the address provided or by personal service or by any other manner that is permitted by law, in or outside South Carolina. Notice by certified mail is deemed duly given upon deposit in the United States mail.

- 6.19 Ethics Certificate:** By submitting an offer, the Offeror certifies that the Offeror has and will comply with, and has not, **and will not**, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention: Section 8-13-700, regarding use of official position for financial gain; Section 8-13-705, regarding gifts to influence action of public official; Section 8-13-720, regarding offering money for advice or assistance of public official; Sections 8-13-755 and 8-13-760, regarding restrictions on employment by former public official; Section 8-13-775, prohibiting public official with economic interests from acting on contracts; Section 8-13-790, regarding recovery of kickbacks; Section 8-13-1150, regarding statements to be filed by consultants; and Section 8-13-1342, regarding restrictions on contributions by contractor to candidate who participated in awarding a contract. The SFA may rescind any Contract and recover all amounts expended as a result of any action taken in violation of this provision. If Contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, Contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed.
- 6.20 False Claims:** According to the South Carolina Code of Laws Section 16-13-240, "a person who by false pretense or representation obtains the signature of a person to a written statement or obtains from another person any chattel, money, valuable security, or other property, real or personal, with intent to cheat and defraud a person of that property is guilty" of a crime.
- 6.21 Illegal Immigration:** (An overview is available at www.procurement.sc.gov) By signing the Offer, the Offeror certifies that it will comply with the applicable requirements of the South Carolina Code of Laws Title 8, Chapter 14 and agree to provide to the SFA upon request any documentation required to establish either:
- (a) that Title 8, Chapter 14 is inapplicable to the Offeror and its subcontractors or sub-subcontractors; or
 - (b) that the Offeror and its subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14, Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." The Offeror agrees to include in any contracts with subcontractors language requiring

subcontractors to (a) comply with the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14.

- 6.22 Records Retention and Access Requirements:** The SFA and Contractor shall retain all books, records, and other supporting documents relative to this Contract for three (3) years after final payment. With reasonable written notice, the SFA, Alliance, independent auditors, federal and state agencies, and/or their authorized agents shall have full access to, and the right to examine any of said materials during said period. If an investigation or audit is in progress, records shall be maintained until the stated matter is closed.
- 6.23 Compliance with Laws:** During the term of the contract, contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs.

DRUG FREE WORKPLACE POLICY

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

ATTACHMENT G (continued)

DRUG FREE WORKPLACE POLICY

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (b) Establishing an ongoing drug-free awareness program to inform employees about (1) the dangers of drug abuse in the workplace; (2) the grantee's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will (1) abide by the terms of the statement; and (2) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- (e) Notifying the agency in writing, within ten (10) calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

ATTACHMENT G

Drug-Free Workplace Policy (continued)

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph(d)(2), with respect to any employee who is so convicted (1) taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (2) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:
